Dear Colleagues,

This 3rd of March, 2015 is an important milestone for the Tata group, as we complete one year of the group-wide volunteering programme, Tata Engage. Tata Engage was launched at Jamshedpur last year, to commemorate the 175th birth anniversary of our founder, Jamsetji Tata.

Over the last one year, Tata Engage has come a long way. We have had two very successful volunteering weeks, welcomed family members and retired Tata employees to join this initiative and also launched a skill-based volunteering format called ProEngage. Currently, we have over 55,000 dedicated and enthusiastic members, volunteering through Tata Engage and demonstrating their commitment to the group's ethos of "giving back to society"

I am delighted to announce the launch of Tata Volunteering Week - 3, on 3rd of March 2015. I encourage all my colleagues to volunteer their time, effort and expertise to worthy causes during this week, along with their families.

With best wishes,

Yours sincerely
