From the *Chairman's Desk*

Dear Colleagues,

Engaging with communities through large volunteering programmes is an important part of building sustainable businesses. It is an ethos that lies at the heart of the Tata way of life.

Since 2014, our group-wide volunteering programme, Tata Engage, has witnessed nine very successful volunteering editions where thousands of Tata employees, their family members and retired Tata colleagues have contributed their time and effort to support a range of causes. On September 5th, 2018 that has been dedicated as the International Charity Day, I am delighted to announce the launch of Tata Volunteering Week 10 (TVW 10).

Last year, Tata employees achieved more than 1.1 million volunteering hours, placing Tata Engage amongst the top 10 corporate volunteering programmes in the world.

As we celebrate the 150th anniversary of the Tata group this year, I believe that we can have greater impact in the community through our volunteering efforts both in terms of our reach as well as the scale of our interventions.

I hope all of us will take some time out of our schedules and find the time to volunteer for a cause that we believe in and help serve our communities better.

I look forward to your support and participation in TVW 10.

Warm Regards,

N. Chandrasekaran
Chairman
