

Best Corporate Garden Hat Trick!!!

Three years in a row!! This is the mettle that the parks and garden team is made of. TRF's winning team in the Corporate Garden of the year 2016 championship conducted by Horticulture Society of Jamshedpur got a well deserved pat on its back and Shabash coupons, at a felicitation ceremony attended by Mr PS Reddy, Deputy Managing Director and Mr RK Rahi, General Secretary and senior officers of the Company.

The team members assured that they have no intention of loosening their grip over the trophy or slipping into complacency. They have already started making plans for retaining the trophy in 2017.

Speaking on the occasion, Mr PS Reddy said that the gardens in the campus had helped to create a bright and lively surrounding. This he believes generates a great amount of positive energy in the atmosphere which is productive for working and relives people from stress.
