

HIV / AIDS Policy

- TRF is committed to contribute to global efforts towards halting and reversing the course of HIV / AIDS.
- The Company would take measures to actively disseminate information & education regarding HIV / AIDS within our workplace and surrounding communities, with the objective to reduce its transmission.
- The Company would ensure a safe working environment, confidentiality and non-discrimination of effected employees, if any.
- The Company would provide appropriate medical management for all effected employees and their families.

A handwritten signature in blue ink, appearing to read 'Umesh Kumar Singh'.

Umesh Kumar Singh
