

From the *Chairman's Desk*

Dear Colleagues,

It gave all of us immense pleasure and pride to witness Tata group companies and colleagues joining hands together to achieve more than a million volunteering hours last year. I hope this practice of volunteering in our group will be sustained, and we reach ever greater heights with every passing year.

The group-wide volunteering programme, Tata Engage, launched in 2014, has already witnessed six very successful volunteering weeks since inception. Typically, each edition has seen tens of thousands of Tata employees, their family members and even retired Tata colleagues dedicate their time and effort to support a variety of non-profits, thus reinforcing our group's reputation for giving back to society.

I am now pleased to announce the launch of the Tata Volunteering Week 7 (TVW 7) on March 3rd, 2017 (178th birth anniversary of our Founder, Jamsetji Tata). I look forward to each of us contributing our time generously, for a social cause that we believe in. No action is too small, and as members of the Tata group, each one of us can make a real difference by touching the lives of those in need.

I look forward to your support and participation in TVW7.

With my very best wishes,

N. Chandrasekaran
Chairman
